

Diagram illustrating a 3D memory layout with three rows of memory blocks. The top row contains blocks labeled "type B1" for addresses bnr. 191, bnr. 190, and bnr. 189. The middle row contains blocks labeled "type B1" for addresses bnr. 201, bnr. 202, and bnr. 203. The bottom row contains blocks labeled "type B1" for addresses bnr. 191, bnr. 190, and bnr. 189. The diagram shows a complex arrangement of blocks with some blocks crossed out with an 'X'.
